LATEST FOREIGN NEWS.

WASHINGTON, Nov. 7 .- The subject which will receive the consideration of the Secretary of State and the Navy, and probably be presented in their annual reports, is that of establishing a coaling station on the Pearl river on the island of Oahu, of the Hawaiian group, about seven miles from Honolulu. The privilege of establishing a station there, which is conceded to be a great desider-atum, was secured to the United States by the treaty concluded with Hawaii by Secretary Bayard, but no appropriation was made by the last Congress to make it effective.

The site must be purchased and the bar across the mouth of the harbor blasted out to make the entrance for ships of war. The appropriations to se-cure these ends will probably be urged upon Congress.

of a long family line of United States Senators from the State of Delaware, of Commodore Shubrick and the direct descendant of the Clymer who wrote his on the Declaration of Independence.

Berlin, Nov. 7.—Among the items in the new naval estimates before the Reichstag that have aroused the bitterest hostilities of the opposition is that of 450,000 marks for a new yacht for the Kaiser and Kaiserin. It is announced that the Hohenzollern is too small, though she is a steamer of 1,800 tons.

Boston, Nov. 7 .- The Senate will be composed of 29 Republicans and 11 Democrats, compared with 32 Republicans and 8 Democrats in 1888. There are 162 Republicans and 78 Democrats returned to the Lower House, a Republican loss of 18.

Оню, Nov. 7.—The following was given out from the Republican headquarters at 10 o'clock to-night: Nineteen Democrats have been elected to the State Senate and 17 Republicans, while 60 Democrats have been elected to the House and 54 Republicans. The Democrats have a majority in the General Assembly of eight on joint ballot, giving them the United States Senator.
